A3 colour multi-function printer

M C2510

☑ Printer ☑ Copier ☑ Scanner

A3 colour multi-function printing designed for businesses that need quality and control

The **M C2510** is an entry-level A3 colour device built for daily business needs. It delivers reliable print, copy and scan performance in a simple and effective package, ideal for small teams and offices that need dependable results every day.

Work smarter with the M C2510

Keep your teams productive

Built-in RICOH @Remote helps support efficient device management by enabling real-time monitoring and simplifying maintenance.

Protect sensitive information

Built-in authentication and Locked Print keep confidential documents secure on shared devices.

Support your sustainability goals

Blue Angel Mark certification and low typical energy consumption (TEC) value (0.29 kWh) reduces energy waste and environmental impact and supports responsible business practices.

Features that support everyday performance

- Print speed 25 pages per minute for smooth workflow performance
- Scan speeds up to 50 images per minute help digitise documents quickly
- Automatic reverse document feeder saves time on multi-page and double-sided documents
- Up to 1200 × 1200 dpi print resolution for consistent clear, professional-quality documents
- Scan directly to email, folder, USB or cloud to simplify workflows

Designed for ease of use and security

- Intuitive 7-inch touchscreen for simple navigation
- Flexible paper capacity of up to 2,900 sheets reduces interruptions
- Mobile printing via AirPrint and Mopria
